Program Overview

The KHAOS Koach Registered Apprenticeship Program is a 144-hour workforce development training program designed to prepare participants to provide trauma-informed coaching, peer support, communication, wellness, and personal development services through the integration of the KHAOS Framework and International Coaching Federation (ICF) Core Coaching Competencies.

The program is delivered through a collaborative instructional partnership between KHAOS, Inc. and ICLI Rising, combining trauma-informed wellness education with internationally recognized coaching competencies.
